**FUN!** **POSITIVE ATMOSPHERE**

Crystal Lake Gymnastics Training Center, owned and operated by Lee Battaglia, co-owned by Lisa Rumford, has become one of Illinois premier gymnastics training facilities.

Opened in 1992, our 20,000 square foot facilities include two foam pits, three 40 x 40 competition spring floors, abundant skill development mats, a 40 foot long tumble track, two in-ground trampolines along with competition balance beams, uneven bars and vaulting runways.

Our pre-school program is the best around. Directed by Jenni Potts, we strive to create an environment where every child can succeed. Developing gross motor skills along with strength and self-confidence is the priority in our pre-school program.
